We also have some limited supplies of items that may be useful to members. When returning the application form you can also mark if you would like any of the pictured items and we can drop them round with your membership confirmation card at the end of January.

If you still have a black recycling bin then the Foxes Hollow rectangular sticker helps you identify it from the refuse bin. The round Wealden recycling sticker also helps.

The rectangular ‘Warning to uninvited traders / cold callers’ is double sided and does deter some cold callers while having some useful numbers on the home owner’s side . The circular Neighbourhood Watch vinyl sticker is a useful warning / deterrent.
